

May, 2018 Guidance Newsletter

From the office of Brett Dobin:

As the year is slowly winding down, I am happy to report that 100 percent of our eighth grade students have been matched to high schools. The 2018-19 HS directories have arrived and will be distributed to all of the seventh grade students in June. I will be discussing the high school process at the next PTA meeting on May 21st at 5:30PM. All parents and students are invited to attend. It has also been a banner year for students obtaining working papers. If any students are currently 14, or will be turning 14 before the end of the school year, please come and see me in Room 120. It is my goal to make sure that all of the students 14 and older obtain their working papers and find full or part time jobs this summer. Whether is be through the summer youth program, the NY Aquarium, or a local store it is very important that the students go out and see what it is like to try and join the workforce. As always, please feel free to contact me at my office, 718-996-0100, X 1201 or by email at bdobin@schools.nyc.gov. I am also available by appointment daily from 10:00AM-10:30 AM, and from 1:45-2:15PM.
