Mr. Dobin, Guidance Counselor

**I.S.303 Middle School**

*Dear Parents, Guardians, and Students:*

*As we turn our clocks back for daylight savings time, we are quickly moving ahead. November brings us a change in weather and the leaves are changing color.*

*We are rapidly approaching the end of the first marking period. We encourage all parents and guardians to attend the parent teacher conferences which are set for the week that we come back from Thanksgiving break. It is extremely important that we keep a good working relationship with our students' teachers. The open school conferences are set to accommodate all as there is an afternoon and evening session.*

*The high school process is moving very smoothly. I am available by appointment to meet with all students and parents who have questions pertaining to the application process. I also encourage all students, parents, and guardians to attend the workshop that I will be giving on the evening of Monday, November 27<sup>th</sup> at 5:30PM in the library. I look forward to continuing to work with all the students and make sure that the high school choices they make are tailor fit to their needs and likes.*
